7 Under Sec 51 (1) of the Dispo C Act the Municipal Council can make alter or rescind by-laws. At present they want to make Bye-laws under sub clause VII of Sec 51(1)(b), which read as follows —
"for any other purpose for which the taking out of a license is or may be prescribed"

8 So in cases where a license is or may be prescribed under the Statute or any Rule, the Municipal Council may frame Bye-laws for such cases, & not in any other cases

9 Therefore think, the Municipal Council will have first to propose to Govt that Farriers may be ordered to take out a license for their trade — & Govt may accept that proposition & may frame a Rule to that effect under Sec 228 (2) (a) of the Municipal Act. Then that the Municipal Council may frame Bye-laws under 51(1)(b)(VII) of the Act

10 The present Bye-laws may therefore not be approved

Subject - Draft Bye-laws relating to Farriers in Mysore City

I have the honour to state that the Mysore Pinjrapole Society brought to the notice of the Municipality that in order to prevent the throwing of animals on hard ground while shoeing and such other cruel acts of farriers, necessary Bye-laws may be framed by the Municipality and on this the question of drafting Byelaws prescribing farriers to take out licenses and fixing suitable conditions was examined in detail

The Legal Committee thereupon framed the necessary Byelaws under Section 51(i) b(VII) in their meeting dated 6-6-1942 and these were accepted by the Municipal Council in their resolution No 983 dated 27-6-1942 with a slight modification as to the prescribing of the renewal fee for the License

The enclosed draft Byelaws were published in the Mysore Gazette Part III-3 pages 152-155 dated 16-7-1942 calling for objections within one month from the date of publication as required by Section 51(2) of the Mysore City Municipalities' Act The Farriers of the Mysore City filed an objection petition on 4th August 1942 stating that it is very difficult to abide by the license conditions due to the rise in the prices of materials on account of war and that the proposal be dropped The draft Byelaws together with the objection petition was placed before the Municipal Council at their meeting held on 7th August 1942 when it was also explained that there is nothing in the

Byelaws which war conditions affect and that this is an Act of humanity which is long overdue

The Council after considering the objection petition approved of the Byelaws I request you therefore to kindly obtain early sanction of Government to these Byelaws

With reference to your letter no M5 53 123/42 dt 17th Sept 1942 forwarding for appl. the draft Byelaws relating to the Barriers in the Mysore city, I am directed to state that the Byelaws in question cannot be approved for the following reasons.—

"for any other purpose for which the taking out of a license is or may be prescribed."

So, the Mnl Cl may frame Bye-laws only in cases where a license is or may be prescribed under the Statute or any rule and not in any other cases

The Mnl Cl will have first to propose to Govt that Farriers may be ordered to take out a license under the provisions of the Act for flying their trade and after the Govt adopt this suggestion and issue a rule to that effect under section 228(2)(a) of the Act on the analogy of Notfn No. 1553/Mnl 48-34-103 Dt 26/27-8 1935, (a copy of which is sent herewith for ready reference) Flag A

~~Therefore~~ the Mnl Cl may frame the necessary Bye-laws
